NIKITA PUCHKO

GRAPHIC & BRAND DESIGNER

PROFILE

Graphic and brand designer with experience in visual identity, social media design, presentation design, 3D visuals and art direction. I create clear, expressive and functional visual systems for brands, campaigns and digital communication. My work combines strong composition, typography, conceptual thinking and modern tools, including AI and 3D.

EXPERIENCE

Art director **2025 — Present**
at «FREE WORLD AGENCY»

- Developed visual directions for brand, digital and spatial design projects.
- Created concepts, moodboards, layouts and presentation materials for clients.
- Worked with creative teams to maintain visual quality, consistency and concept clarity.

Graphic designer **2023 — 2024**
at «FREE WORLD AGENCY»

- Designed visual assets for brand presentations, campaigns, social media and client projects.
- Created layouts, graphics, 3D-based visuals and AI-assisted concepts.
- Adapted brand visuals across digital and print formats.

Graphic designer **2023 — 2024**
at «Dari Edu» (NPO)

- Designed educational and communication materials for digital platforms.
- Created social media visuals, layouts and branded graphic assets.
- Supported visual consistency across the organization's communication.

Freelancer **2022 — Present**
Independent practice

- Worked with clients on brand identity and visuals, posters, social media assets and presentation design.
- Developed concepts from brief to final visual execution.

DESIGN FOCUS

Brand systems, expressive visual concepts, digital layouts, presentation design, social media communication, 3D and AI-assisted visual exploration.
